

European Association on Antennas and Propagation

Radar Remote Sensing

Chalmers University of Technology
412 96 Gothenburg, Sweden

CHALMERS
UNIVERSITY OF TECHNOLOGY

Web page:

<http://www.chalmers.se/rss/EN/research/research-groups/>

Contact: Leif Eriksson

Phone: +46 31 772 4856

Fax: N.A.

E-Mail: leif.eriksson@chalmers.se

Research Topics:

Radar remote sensing from aircraft and satellites

Applications to forestry and sea surface (ice and waves)

European Association on Antennas and Propagation

Radio Astronomy and Astrophysics
Chalmers University of Technology
412 96 Gothenburg, Sweden

CHALMERS
UNIVERSITY OF TECHNOLOGY

Web page:

<http://www.chalmers.se/rss/EN/research/research-groups/>

Contact: Susanne Aalto

Phone: +46 31 772 5506

Fax: +46 31 772 5590

E-Mail: susanne.aalto@chalmers.se

Research Topics:

Extra galactic and galactic radio astronomy

European Association on Antennas and Propagation

Global Environmental Measurements and
Modelling
Chalmers University of Technology
412 96 Gothenburg, Sweden

Web page:

<http://www.chalmers.se/rss/EN/research/research-groups/>

Contact: Donal Murtagh

Phone: +46 31 772 5651

Fax: N.A.

E-Mail: donal.murtagh@chalmers.se

Research Topics:

Remote sensing of the atmosphere
