

European Association on Antennas and Propagation

**German Aerospace Center**

Institute of Communications and Navigation

Oberpfaffenhofen, Münchener Straße 20,  
82234 Wessling, Germany

**Deutsches Zentrum  
für Luft- und Raumfahrt**  
German Aerospace Center

**Web page:**

[www.dlr.de/kn](http://www.dlr.de/kn)

**Contact:** Dr. Michael Walter

**E-Mail:** m.walter@dlr.de

**Research Topics:**

Sensors and satellites for remote sensing

Propagation measurements and channel modeling for

- satellite navigation
- mobile radio based ranging

European Association on Antennas and Propagation

**Technische Universität München**  
Lehrstuhl für Hochfrequenztechnik

Arcisstr. 21  
80333 München, Germany

**Web page:**

<http://www.hft.ei.tum.de>

**Contact:** Prof. Dr.-Ing. Thomas Eibert

**Phone:** +49(0)89 289-28391

**E-Mail:** eibert@tum.de

**Research Topics:**

Propagation and channel models for radars
