Contact: Susanne Aalto

Phone: +46-31-772-66-93

E-Mail: susanne.aalto@chalmers.se

Research Topics:

Extra galactic and galactic radio astronomy

European Association on Antennas and Propagation

Chalmers University of Technology
Space Geodesy and Geodynamics

412 96 Gothenburg, Sweden

CHALMERS
UNIVERSITY OF TECHNOLOGY

Web page:

<https://www.chalmers.se/en/departments/see/research/oso/space-geodesy-and-geodynamics/>

Contact: Prof. Rüdiger Haas

Phone: +46-31-772-55-30

E-Mail: rudiger.haas@chalmers.se

Research Topics:

Space Geodesy

Geodetic Very Long Baseline Interferometry

Global Navigation Satellite Systems

Microwave radiometry

Ray-tracing

Atmospheric water vapour variation

Meteorology and Climatology

Space Weather

Tidal effects

Geodynamics
