

European Association on Antennas and Propagation

ONERA - The French Aerospace Lab

Chemin de la Hunière et des Joncherettes
BP 80100, FR-91123 PALAISEAU CEDEX

Web page:

<http://www.onera.fr>

Contact: Dr Aurélie Bonnefois

E-Mail: aurelie.bonnefois@onera.fr

Research Topics:

Propagation experiments, propagation modelling, adaptive optics

Optical propagation for Satcoms, UAV and terrestrial links (Optical department: DOTA)

Turbulence, extinction

European Association on Antennas and Propagation

CNES - The French Space Agency

18 avenue Edouard Belin,
31401 TOULOUSE CEDEX 9, France

Web page:

<http://www.cnes.fr>

Contact: Dr. Victor Darchy

E-Mail: Victor.Darchy@cnes.fr

Research Topics:

Propagation experiments, propagation modelling, adaptive optics
Optical propagation for SatComs
