

European Association on Antennas and Propagation

**IRNAS Institute For Development Of Advanced Applied Systems**

Limbuška cesta 76b  
2000 Maribor, Slovenia

**Web page:**

<https://www.irnas.eu/>

**Contact:** Luka Mustafa

**E-Mail:** musti@irnas.eu

**Research Topics:**

Integrated wireless optical communication technology solutions

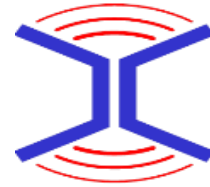

European Association on Antennas and Propagation

**Jožef Stefan Institute**

Department of Communication Systems

Jamova 39

SI-1000 Ljubljana, Slovenia

**Web page:**

<http://e6.ijs.si/>

**Contact:** Prof. Dr. Tomaž Javornik

**Phone:** + 386 (1) 4773 108

**E-Mail:** tomaz.javornik@ijs.si

**Research Topics:**

Optical wave propagation through atmosphere

Development of FSO channel models

Coding and modulation techniques for FSO
