

European Association on Antennas and Propagation

TU Eindhoven

Department of Electrical Engineering
Electromagnetics Group (TU/e-EM)

P.O. Box 513
5600 MB Eindhoven, Netherlands

Web page:

<https://www.tue.nl/en/research/research-groups/electromagnetics>

Contact: Robbert Schulpen

Email: r.schulpen@tue.nl

Research Topics:

Propagation measurements and modeling for:

- outdoor and indoor
- 5G, 6G and beyond
- RF and mmWave frequencies"
- Channel emulation in reverberation chambers
