

European Association on Antennas and Propagation

Ben-Gurion University of the Negev

P.O Box 653 IL-84105 Beer-Sheva ISRAEL

Web page:

<http://www.ee.bgu.ac.il/~shlomi/>

Contact: Professor Shlomi Arnon Ph.D.

Email: shlomi@ee.bgu.ac.il shlomi.arnon@gmail.com

Research Topics:

Propagation and channel models for:

- Terrestrial optical wireless communication system
- Free space optics (FSO) communication
- Visible Light Communication (VCL)
- Car to car communication
