

European Association on Antennas and Propagation

Linköping University
Norrköping Campus

Web page:

<https://liu.se/en/employee/andgl73>

Contact: Andrés Alayón Glazunov

Phone: +46707490601

E-Mail: andres.alayon.glazunov@liu.se

Research Topics:

Antenna-channel interactions

Design and characterization of intelligent devices and environments for communications

Localization

Sensing applications
